

MARIPOSA ACADEMIC BOOSTERS CLUB

"ADOPT A TILE" CAMPAIGN

Anyone who has been in the Mariposa County High School auditorium knows of the condition of the old ceiling tiles! The Academic Boosters Club has come together with MCHS to create a campaign that will replace those old tiles. Thank you for your interest in adopting a new tile to replace the old/damaged tiles in MCHS' Fiester Auditorium. Your generous gift will last a lifetime and will be recognized on a plaque placed inside of the historic auditorium. In addition, you will receive a "framable" adoption certificate.
